*I found Devereux on a new track.*

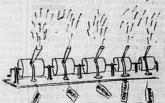

*How little goes on Dear Jones!*

*Early in the P.M.: 'Hark! That is surely Adeline Pette's voice!'*

*Merchant: 'Oh, for my! tell me your story to that machine and I'll print it out tonight.'*

*Any church can have a hybridized choir.*

*Recording the Melodious Will!*

*'How cheap! If you please, I will take six yards of Robinson's best muslin, and four yards of Dr. J. G. Small's hair net.'*

*Welcome to my show!*

*Industry saluting the road.*

*'I can make that statue make words in one to three or four miles!'*  
—*Cham*

*Confound it! well, but, after all, the machine is not perfect! I have tried it with my own hands, and it is not so good as I thought it would be. I have tried it with my own hands, and it is not so good as I thought it would be.*

*A safe Confound with the box.*
